WHAT OUR FAMILIES THINK ABOUT CAMP!

The Revino Family

We LOVE Los Gatos Elite! Our experience has been nothing but positive! Both my girls attended summer, winter break and spring break camps. My oldest, who is a little shy and nervous, went to camp day one and left beyond excited to return! She loved her coaches and are thrilled at any opportunity to be with the LG Elite staff. I cannot say how happy it makes me to be able to drop off my girls in a safe and welcoming environment. The facility is super clean and bright, the staff is EXTREMELY friendly and welcoming, and the equipment is fun, bright, and well taken care of. The coaches communicate progression and celebrate skill mastery. The programs are organized and well run. My girls never want to leave! I HIGHLY recommend LG Elite for both classes and camps!

The Greenwald Family

Los Gatos Elite has met our expectations. When we first started coming here, we could feel the positive and energetic dynamic radiating throughout the facility. The staff there is amazing and always attentitive to the children. My children keep begging me to go back!

The Campagnolo Family

We first attended Los Gatos Elite for a friends birthday party and my kids loved it! We decided to come back for camp and it is all my kids talk about. They have even met some of their closest friends from there. Los Gatos Elite is great!
